Dear \_\_\_\_\_:

As we enter the seasons of Thanksgiving and Christmas, your presbytery continues to reassess how we carry out Jesus's mission among our 54 churches. In all this God is faithful.

We praise God for *your* faithfulness as members and leaders of this presbytery, and we ask for your continuing support and partnership in ministry through your church's pledge to Unified Mission Giving.

We have recently revisited our strategic plan, made revisions in our organization, and redefined the role of our next staff leader, a Lead Presbyter. Your giving makes this plan, organization, leadership, and staff support possible. Your giving provides for:

- Youth retreats at Montgomery and the national Youth Triennium
- Disaster preparation and assistance in our presbytery and throughout the state, especially now in Southwest Florida
- Candidates for ministry
- Pastoral counseling for ministers and candidates
- Highlands Regional Ministry Center in Gainesville
- Speakers and costs for presbytery meetings and education events

Our asking budget for 2023 is enclosed. You can see exactly what your giving is doing. If your session or finance committee would like a presbytery representative to share more about our plans and needs for next year, please contact Hunter Camp, the chair of our Generosity Team at [hcamp@memorialpcusa.org](mailto:hcamp@memorialpcusa.org).

We have also included a Pledge form that tells you what we are asking for 2023. Please return this form indicating your pledge.

The Per Capita amount you send goes directly to support the programs and ministries of the Presbyterian Church (USA) and *does not* fund our presbytery. Your per capita apportionment for next year is shown at the bottom of the form.

Thank you for your prayers and support. The Holy Spirit will do great things in 2023 through your church and our presbytery *together*.

Yours in Christ,

The Presbytery Generosity Team
