Friends of the West Newbury Library

490 Main Street

West Newbury, MA 01985

Please make checks payable to: Friends of the WN Library.

What is The Friends of West Newbury Library?

The Friends of the West Newbury Library is a non-profit organization run by volunteers dedicated to supporting the G.A.R. Memorial Library. The group, which is open to all, seeks to create interest in and awareness of the library's services and aims to enrich the cultural life of West Newbury. The Friends fundraising events, such as our book sales and sales of commemorative bricks, enables the Friends to provide funds to the library to help sponsor cultural and educational programs for our community and to assist with needs the library may have that are not covered by the annual budget.

The Friends of the Library fund and support:

- In-person and online programs for adults, teens, and children.
- Museum passes for discounted admission to over a dozen local museums and parks.
- Weekly kids craft kits, bimonthly crafts for teens, and Summer Reading prizes.
- Story Walk, Little Free Library, and Library of Things.
- Social gatherings for Friends members and guests.
- Book Sales.
- And so much more!

We welcome new members!
