

YWCA HOLIDAY HEARTS

During the holiday season, the YWCA Bucks County reaches out to the many families we serve and buys necessities and small gifts for the children. Children and teens that receive holiday gifts come from low-income families and participate in our afterschool, summer and teen programs. YWCA programs provide these children with academic assistance, life skills training, and prevention education.

YES, I want to help a child have a happy holiday!

Please select from one of the following options.

I would like to provide funding in the amount of:

\$35 for one child \$70 for two children other \$ _____

I would like to shop for _____ child(ren).

I will return my address information to the YWCA Bucks County by November 21, 2018. The YWCA will then send me information from a child's wish list using the contact information provided below. All gifts must be unwrapped in a gift bag and clearly labeled with the child's name. All gifts must be received at YWCA offices in Trevose by December 10, 2018.
