

Dear South End Neighbor –

For the last 8 years, I have served as your voice on the Town Council. As the ONLY South End resident on the Town Council, I have ensured our issues are prioritized and the South End is not ignored.

Top Ten Reasons to Vote for Lew for Town Council

(10) Along with Dick Kleid, Jerry Frank, and Lee Goldsmith, I fought the “Sand Wars” with the rest of the town and we won. Now, the entire town — not the shoreline property owners — pays for our sand.

(9) I fought for undergrounding. Since installation, there have been No power outages and no ugly poles.

(8) Budget perks. I secured extra money for landscaping at the fire station and roadway safety assets. Now my focus is on our walkways being repaired and benches replaced.

(7) Enhanced security funding, including extra police patrol and security cameras, especially at night.

(6) Constituent services. My weekly office hours have provided needed services to hundreds of individuals and buildings down here.

(5) I was an early supporter of the Phipps Park construction. This project will uplift our entire neighborhood. I also made sure there would be extra police presence at the Park.

(4) I serve as your direct link to council and town staff. I have monthly agenda meetings to coordinate South End interests on council.

Currently, I’m working with town staff and the newly formed Citizens Association Visioneering Task Force to develop our own zoning code segment that improves design and protects us.

(3) Ensuring South End concerns are addressed. The newest potential concern on our horizon: Lake Worth Municipal Beach Complex. Could this be Coney Island South? I'll make sure the town staff monitors this development.

(2) Keep the sand coming! The next major project is scheduled for 2030. For the new dry beach depositions at Sloans Curve and Reach 8, I'll use my experience to fight for the mitigation funds needed to complete the project.

(1) I am your resident voice and advocate. My hard work and engagement over the past decade demonstrates my commitment to the South End's future.

I am the only choice for the Town Council who can truly represent the South End.

Kathleen and I thank everyone for their past support, and we ask, once again, that you vote "Lew for You" as your representative on the Town Council.
