Register now: [https://bit.ly/MHDD-EDI\\_10-28-21](https://bit.ly/MHDD-EDI_10-28-21)

### Webinar Description:

To provide an understanding of American Indian and Alaska Natives' mental health, disability and their cultural context for better services and increased knowledge.

### Learning Objectives:

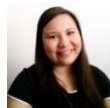

- Understand how American Indian and Alaska Native people **view** mental health, disabilities, and Native culture.
- Understand how traditional American Indian and Alaska Native society's understanding of mental health, disabilities, and culture **contrasts** with western society.
- Understand how mental health, disabilities and Native culture fit within the **circle of life** of the American Indian and Alaska Native peoples.

### Presenters:

Dr. Chuck Foster

Erica Ficklin, M.S.

Julius Chavez, self-advocate
