Great day Rock Kidz Parents,

Today we continued our Jesus' Unexpected Grace series by looking at the story of **the Prodigal Son and His Older Brother in Luke 15:11-32.**

We learned that while the older brother was upset about the grace his younger brother received, the father wanted everyone to celebrate. Jesus reminds us that God's grace is a gift for everyone. Instead of comparing ourselves to others, we can rejoice when someone comes to know Him.

After church today ask your child these questions:

- Why was the older brother upset?
- How can we celebrate when someone chooses to follow Jesus?

It is a joy to partner with your family as we help our Rock kidz grow in their faith.

All for His glory,

Pastor Melissa
