**Great day Rock Parents,  
Happy Father's Day to all of our amazing Dads and Father figures.**

Today our children learned that "Dads show up" and "God shows up." We talked about how God is our perfect Heavenly Father who always loves us, always cares for us, and never leaves us. We also celebrated the dads, grandpas, uncles, and father figures in our lives who show up for us in real and meaningful ways. The kids learned that God shows His love through the people He places in our lives, and we took time to thank God for those who care for them, help them, and love them every day.

**ASK YOUR CHILD THIS WEEK:**

"Who shows up for you?" and listen to their answers, it may bless you more than you expect.

We're praying all of our Rock families have a joyful and special Father's Day.

**Be sure to join us for VBS - SURPRISE PARTY at 7pm tomorrow!**

All for His glory,  
Pastor Melissa
