

JONATHAN STRINGER

Supporting CFO's with change and transformation as well as providing Gap Management at CFO level, Jonathan leads Norman Broadbent Interim Management CFO Practice. Jonathan's reputation in introducing highly skilled, senior Finance Professionals has been built over 20 years and his knowledge and networks allow him to deliver effective people solutions – quickly. He is well-known for delivering multiple interim assignments within FTSE-listed businesses and fast growing SME organisations across a broad range of industries. Our no-advertising policy is testament to these networks and Clients and Interim Executives can be assured of a discreet and confidential service.
