# Why should you want to attend Wood Badge?

You want to participate in a Wood Badge course because of things you will learn and do. Here are some of the benefits:

- **Stronger units.** You will make your Scouting unit stronger.
- **What and why of Scouting.** You will have a deeper understanding of what Scouting is and why we do it.
- **Experience.** You will learn and experience things that will stay with you in Scouting and the rest of your life.
- **Fun.** You will have fun and you will meet interesting people.
- **Other groups.** You will make your other groups, like work, church, even family, stronger

Here's another summary of why to go. This was originally aimed particularly at Scouters in the Cub Scout program, but it applies equally to all of us.

CUB SCOUT LEADERS! How would you like to attend a training that takes you far beyond your Basic Leader Training? Would you like to build your skills in communication, conflict management and teaching methods? How about a leadership course that rivals many corporate level trainings?

Wood Badge is here for you. This is not a Troop leader training but is designed for Cub, Scout, and Venturing leaders. This course will help you better understand how all the Scouting programs tie together. It will provide you with many useful leadership tools to help enable our youth to have the best possible Scouting experience. There is no better time to attend a Wood Badge course and make a difference in your unit than when you are a Cub Scout Leader.
