HOW TO APPLY

BRUNSWICK BUSINESS &

PURPOSE OF A BUSINESS INCUBATOR

Business incubation programs are designed to accelerate the development of entrepreneurial occupants through an array of business support resources and services. These services are intended to increase the survival rate of occupants businesses for the retention of employees and to enhance business expansion opportunities to grow the local economy. The incubators can occupy three new businesses for the creation of as many as 20 jobs within 24 months.

Brunswick Community College will support business development through services provided by the Small Business Center and Workforce Development Training through a collaborative effort with the Brunswick County Economic Development Commission. The type of industry to occupy the facility will be that of light manufacturing and warehouse distribution.
