

NO SENIORS WITHOUT HOMES!

Faith in Action Bay Area invites St. Gregory's to participate in a city-wide summit on July 21 at 6:00 PM on Zoom.

The summit will update the community on the crucial issues that face us all as Faith in Action calls for a just city budget, ensuring immediate housing

for vulnerable, older adults. Organizers will share their strategy, share testimony, and build power for an upcoming August action.

Faith in Action needs as many people as possible to turn out in July and join this movement. We are invited to include as many people as possible from St. Gregory's and let organizers know who will attend.

You can register right now for the July summit: [RSVP here](#). You will receive the Zoom link closer to the date of the event.

In addition, Faith in Action is asking St. Gregory's to show our support by sending a photo of yourself holding a sign that says:

- "No Seniors Without a Home"
- St. Gregory of Nyssa Episcopal Church
- Your name (First name only if you prefer)

We can show our strength and solidarity by sending these photos, helping to engage and educate people about the need for a moral budget and specifically subsidies for seniors.

Photos can be emailed to SFSOUL@FAITHINACTIONBA.ORG. Please submit photos by July 10.

Faith in Action will target the Mayor and Supervisors in August, when the budget will be decided on, with an action demanding funding to ensure there are no more seniors without homes. Stay tuned for more about the August action.
