

SUPPORT OUR SILENT AUCTION

A portion of the 2025 Sand Dollar Awards® silent auction proceeds will support CBIA's Annual Toy Drive, spreading holiday joy to the area's neediest children. Organized by CBIA's Sales and Marketing Council for over 26 years, the drive now provides toys for more than 1,200 students annually.

In 2024, toys were distributed at Pinecrest and Shadowlawn Elementary Schools.

Benefits of Donating Include:

- Exposure for your organization to the construction industry at the awards banquet.
- Acknowledgement as a donor in the event program, in CBIA's digital communication and press releases on the CBIA website for an entire year.

WHAT ARE THE SAND DOLLAR AWARDS?

The Sand Dollar Awards® honor excellence in building, development, interior design, remodeling, commercial design, advertising, marketing and sales. Presented annually at the gala, they are the premier industry recognition in Collier County.

Sand Dollar Awards® Gala

September 27, 2025 | The Ritz-Carlton Naples

The Sales and Marketing Council

The Sales and Marketing Council (SMC) supports CBIA builder and associate members with sales and marketing expertise to design, build and market effectively. SMC fosters industry excellence and proudly showcases the Sand Dollar Awards® as one of its most successful programs.

ABOUT CBIA

Founded in 1981, the Collier Building Industry Association (CBIA) unites industry professionals committed to advocacy, education, networking and philanthropy. As the voice of Collier County's building industry, CBIA advocates for its members while providing education, relationship-building and community service opportunities.

The Collier Building Industry Foundation (CBIF), CBIA's charitable arm, was established in 2005 to support housing-related education and career development in home building and trades. Through hands-on learning, field trips and scholarships, CBIF has awarded over \$100,000 to students pursuing construction-related careers.
