## **Introducing Our Guest Priest, Father William Dillard**

**Helping those in formation is a joy for Mount Angel  
alumnus**

Fr. William Dillard, a 1998 graduate of Mount Angel Seminary, has returned to the Hilltop to provide leadership for spiritual formation at the seminary and serve as a spiritual director to seminarians. Spiritual formation is one of the “four pillars” in the Seminary’s curriculum, which also includes human, intellectual, and pastoral formation.

As a native of Oregon, Fr. Dillard began his studies for the priesthood with the Archdiocese of Portland and was sent to study at Mount Angel Seminary. After his graduation, he served 18 years as a parish priest, first in Oregon and later in California. He also directed the spiritual direction program of the Diocese of San Diego.

Now, upon his return to the Hilltop, he sees a mix of the familiar and the new. “I am very happy to be back. It feels like coming home again. I’m very happy,” Fr. Dillard repeats with delight. He also sees changes. “The physical features are lovely – the lawn and gardens in the quadrangle between the buildings are a big improvement. (Previously, cars parked in this area.) Annunciation Hall, the seminary’s academic center [in addition to Anselm Hall], is an especially great addition.

The formation program has improved as well. I think the Abbey has been able to improve continuously, and is on the cutting edge of priestly formation.”

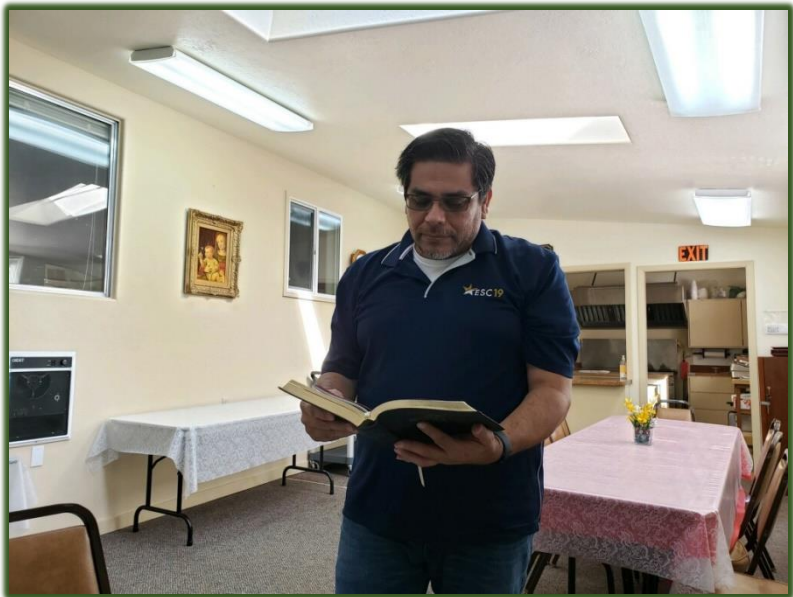

As a member of the Legacy Society, Fr. Dillard offers an example and challenge to all who care about the future of the priesthood. “It’s important for the whole Church that alumni and others are generous partners in the task of supplying priests for the world.

Doing something in a concrete way, providing financial support, points in that direction.”

## And God Created Dog... and Cat

A newly discovered chapter in the Book of Genesis (located by Father Joseph and sent to me for the bulletin 😊) has provided the answer to 'Where do pets come from?' Adam said, 'Lord, when I was in the garden, you walked with me every day. Now I do not see you anymore. I am lonesome here and it is difficult for me to remember how much you love me.'

'And God said 'No problem. I will create a companion for you that will be with you forever and who will be a reflection of my love for you so that you will love me even when you cannot see me. Regardless of how selfish or childish or unlovable you may be, this new companion will accept you as you are and will love you as I do, in spite of yourself.' And God created a new animal to be a companion for Adam. And it was a good animal. And God was pleased.

And the new animal was pleased to be with Adam and it wagged its tail. And Adam said, 'Lord, I have already named all the animals in the Kingdom and I cannot think of a name for this new animal.'

And God said, 'No problem. Because I have created this new animal to be a reflection of my love for you his name will be a **reflection of my own name**, and you will call him Dog.'

And Dog lived with Adam and was a companion to him and loved him. And Adam was comforted. And God was pleased. And Dog was content and wagged his tail.

After a while, it came to pass that Adam's guardian angel came to the Lord and said, 'Lord, Adam has become filled with pride. He struts and preens like a peacock, and he believes he is worthy of adoration. Dog has indeed taught him that he is loved, but perhaps too well.'

And the Lord said, 'No problem. I will create for him a companion who will be with him forever and who will see him as he is. The companion will remind him of his limitations, so he will know that he is not always worthy of adoration.' And God created Cat to be a companion to Adam.

And Cat would not obey Adam. And when Adam gazed into Cat's eyes, he was reminded that he was not the Supreme Being. And Adam learned humility. And God was pleased. And Adam was greatly improved. And Dog was happy. And Cat didn't care one way or the other.

Jesus Sends Forth *His* Disciples

“Praying for you guys at St. Anthony!”  
(Saturday Night Mass, September 11)

“Surgery: Doing Well in recovery.”

## A Prayer for Father Joseph's Healing

Dear Lord, thank you for all of the doctors, surgeons and nurses who have taken care of Father Joseph in recent days. Continue to bless the work of their hands as they also help other patients in their hour of need. Throughout this entire experience, You have always been at his side. Your angels have guarded and guided him when he most needed their protection. Thank You for always being there for Father and for helping him to get this far in his recovery. We pray that You will anoint him with the oil of Your healing so that he may recover. Heal and protect his wrist as You breathe a new life into his body. Please grant him peace and rest as he allows his wrist time to recover. Throughout this time, help him to reside within Your truth and love. We trust You completely during this restoration. We ask this through Christ our Lord.

Amen.
