Committee Reports:

Finance committee: Warwick Anderson, Craig Forsyth

Warwick sent out two reports to the committee. The month of November is another negative month due to the Covid situation and the recent 3-week shutdown. The outlook is good when the club able to be in business, it will do even better when group lessons and learn to skate is able to resume.

Hockettes Erin Donovan

Erin has just attended a meeting regarding tri states which we were scheduled to host in February 2021. They do not feel comfortable working towards an in-person competition and are recommending a virtual competition. There is no fixed date yet, but they are looking to run it in February and make it a big season culmination.

Motion: Approval to move forward with a virtual Tri states competition in February. Anjali Proposed, Mary Seconded, unanimous approval.

The committee agreed that we need to create competition opportunities when ever we can. There was also a suggestion that this club asks to host tri-states nest year because of the loss of income for the club and the huge amount of planning involved. Anne Dougherty offered to pursue this.

The current Covid safety rules prohibit Group and organized practices and games indoors. The Hockette teams are practicing their individual skills during their practice times but because they are not allowed to practice their at the moment.

Learn to Skate: Mary Johanson

Mary said she does not have much to report. She is meeting tomorrow to come up with a plan which may involve off ice zoom sessions for January, February and March next year. She has scheduled some LTS private lessons but that is all she can do right now.

Competitions: Ann Dougherty.

Springtime invitational, Ann is still working on Springtime but it is still all up in the air because we do not know what the situation will be with Covid.
