

AAFSC Board of Directors Candidates 2021

Jenny Land

Little did I realize, the door I was unlocking when I took my daughter to see Disney on Ice for her 5th Birthday. She fell in love and was ready to learn how to skate! We entered the world of Figure Skating and quickly dove into Learn to Skate, Private Lessons, Club Ice and Synchro. In the midst of the whirlwind, I felt the need to learn some basic skills myself, and somehow found myself holding on for dear life on the Open Masters Synchro Team. Starting in a small club, I immediately learned involvement is crucial and it takes experience, knowledge, teamwork, ideas, innovation, heart, and a lot of hard work to run a club. I worked on many Committees including Ice Show, Nomination, Competition, & Award. I assisted in a multitude of areas, including Synchro Mom for 4 years, and the Administrative Lead for a Synchro Competition. My husband also became involved and joined the Board of Directors including serving as the Club President the last year before moving to AAFSC. In my professional life, I work for a successful International company headquartered in the Netherlands. We're considered a leader in our niche market. I assisted in opening the North America branch 13 years ago, and currently manage both the Accounting and Inside Sales Departments.

Joining AAFSC was a deliberate decision. We purposely drive about 90 miles one way in order to be a part of the AAFSC community. The skilled, talented and knowledgeable coaches, along with the incredible facility, and dedicated parents exemplify and confirm what a great Club this is. I am so impressed and honored to be a member. Giving our daughter the best opportunity included making AAFSC her home rink and the Hockettes her Synchro team.

Thank you for your consideration to be a part of the Board of Directors and the platform to contribute my time and effort to uphold the AAFSC reputation. The opportunity to support this club through the Board of Directors would be an honor.
