

# AAFSC Board of Directors Candidates 2021

## **Camille Ziolek**

I am running for re-election to the AAFSC Club's Board, after having served a one-year term this past year. Even though I've only been in ice skates one time in my life, the rink has become like a second home to me. My daughter Eliot has been skating at the AAFSC for over 10 years and will be a Senior next year. In that time, we've made many wonderful and lasting friendships.

I've been involved in many of the club's activities over the years including being an MOI co-producer, and a volunteer at Springtime, Basic Skills, EGLRegionals, holiday exhibitions, judges hospitality, ice pic, and more.

In my non-rink life (is there even such a thing?), I am the Chair of the English and Communication Department at Oakland Community College. I've held multiple appointments on committees and executive boards in the Ann Arbor Public Schools. I was also chair of a large successful charity auction for several years.

I'm running for the AAFSC Board so I can continue to be of service to those who make our club run smoothly everyday — the office staff, the coaches, the parents, and the skaters.
