Interested in private lessons?

The Ann Arbor Figure Skating Club is offering the opportunity for our Learn to Skate skaters to take private lessons. These lessons are offered to give the student "one-on-one" instruction to improve their Basic Skills. As students progress through the Basic Skills, often the levels become more difficult and skaters may benefit from extra lessons and ice time. LTS skaters are permitted to take lessons on AAFSC Club ice once per week.

Basic Information:

- Private lessons allow for more rapid progress through personalized training and individual attention.
- While enrolled in a Learn to Skate class, students are permitted one private lesson per week on regular club ice without upgrading membership status.
- Students pay the instructor directly for lessons and pay the AAFSC for ice time.
- Lessons may be 15-30 minutes in length depending on scheduling and skater needs.
- Private lessons require a commitment from the student, coach, and parent.
- Once you have your lesson day and time, make sure to communicate directly with your coach on any needed changes
- All coaches have their own policies regarding rates, late arrival, and missed lessons

For more information or to arrange a private lesson, please contact the Learn to Skate Coordinator, Mary Johanson, by email at coachmaryjohanson@gmail.com
