

# Learn to Skate Synchro

Our LTS Synchro team enjoys opportunities throughout the year to perform at club exhibitions, including the Holiday Exhibition which is held each December.

## LTS Synchro is the perfect introduction to team skating!

Learn to Skate (LTS) Synchro, formerly known as Introductory Hockettes, is your skater's first step toward team skating, also known as synchronized skating. Our LTS Synchro program is designed to give skaters the opportunity to try skating with others in a team setting without the full commitment of joining one of our competitive teams. LTS Synchro runs in short (one to two month) sessions that align with the dates of our Learn to Skate classes. Though sessions run year-round, skaters have the option to choose which sessions they enroll, allowing eligible skaters to join at any point throughout the year.

## Who is eligible?

LTS Synchro is open to all current AAFSC Learn to Skate or Club Members who have **passed Basic 2 or higher**. Skaters must be currently enrolled in Basic 3 or higher to participate.

Figure Skating Club

## Registration Questions?

For the most current session information and to register, please visit our club's website at [www.annarborfsc.org](http://www.annarborfsc.org) or contact the Ann Arbor Figure Skating Club Office during normal business hours at 734-213-6768 or anytime by email at [aafsc@annarborfsc.org](mailto:aafsc@annarborfsc.org)

## Why join LTS Synchro?

- Learn the values of team work and sportsmanship
- Gain friends and fun!
- Build confidence on the ice with the support of others
- Prepare for one of our year-round, competitive Hockettes teams

*"Joining LTS Synchro gave my beginner skater the confidence she needed to take skating to the next level while giving her the chance to skate with friends!" –Former LTS Synchro Parent/Current Hockettes Member*
