

As the holidays approach, friends, families and our beloved hounds gather for festivities of all kinds.

Here at Daphneyland we, "the wranglers", make it our mission to ensure each hound knows how loved they are. From special recipe home baked treats, new toys for Christmas & Passover, to the needed double sherpa blankets for The New Year.

On top of all of these, Giving Tuesday is fast approaching, and we have rolled all the needs into two fundraisers to help the hounds here.

Giving Grid is closing it's platforms on December 31, 2026 - this years end of the year fundraiser will be the last one we run on this paypal driven forum, one that has been very successful from it's inception. Please consider a donation, like it and share it with friends and family!

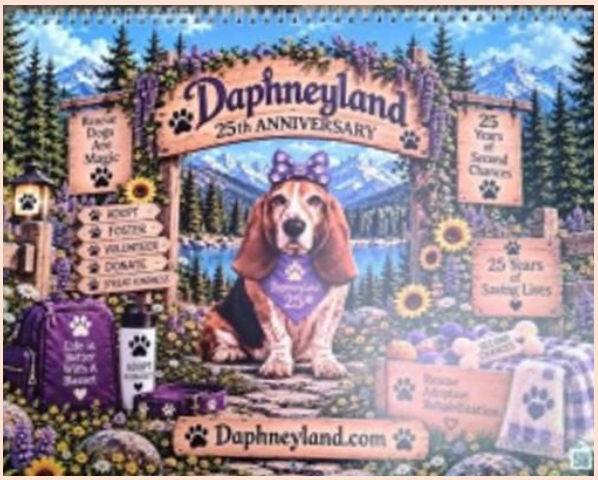

Current hounds are featured on the page, each with a supply wish. We buy in bulk and most commonly can get product with discounts and bulk rates - so a monetary donation goes much further!

Just click on the link below to donate online.
https://www.givinggrid.com/ozrwgb/

Offline donations can be added to the total raised, if you prefer to donate via check, a stock donation or call in a credit card, we can add those to the grid!

Another way you can help the hounds this season is to buy a calendar! Our 2027 Bernice Calendar is a holiday delight, featuring Bernice and all the hound holidays she wants you to celebrate! Great for your wall, and as a gift for family & hound loving friends.

The Calendar is available by order and drop ships with a 2 week delivery to your door!

https://www.paypal.com/ncp/payment/88BF7BAWD36QG

May this season bring warmth, love and companionship to your family from ours.

Help us continue to assist the hounds that need us!

Dawn, Sandi, Erica, Lynn, Judy, Nancy, JD, Luis and all the humans & hounds !

Daphneyland - Founded 7/01/2002
