## REQUEST FOR BID

**FROM:** McGough Construction Co., LLC  
**SENT:** April 8, 2025  
**EMAIL:** [thomas.wiseman@mcgough.com](mailto:thomas.wiseman@mcgough.com)  
**PHONE:** (469) 873-8342

Hello Bids Dept ,

We are inviting your Company, Hispanic Contractors Association (Dallas, Texas) , to BID on:  
**A&M Agricultural Multipurpose Ed & Training Ctr .**

**Your proposals are due no later than April 23, 2025 02:00 PM .**

Project Information:

### **AMET Texas A&M Commerce Earthwork Rebid**

#### **Agricultural Multipurpose Education and Training Center & The National Laboratory for Gamebird Research**

The Agricultural Multipurpose Education & Training Center is a new complex of one-story structures.  
The planned location for the complex is located in Commerce, TX off of State Highway 24 on the east side, which is roughly half a mile south of Whitley Hall. The larger tract of land the project sits on represents the major long-term expansion area for the campus. This project will expand the agriculture program's performance and rodeo space, create high-tech learning/research labs and accommodations.

The National Laboratory for Gamebird Research is a new one-story complex with new research facilities designed specifically for quail brooding and hands-on field study. The planned location for the project is located in Commerce, TX, on the University's Artificial Wetlands and Native Prairie Reserve, which is off State Highway 24 on the west side. The wetlands are across the street from the Lion's Den and southwest of the Agricultural Multipurpose Education & Training Center site.

#### **Subcontractor Opportunity Scopes of Work:**

Earthwork - See scope of work description below, by site, along with the remaining scope documents in Smartbid via the links above:

**Gamebird Site - See Document "Gamebird Remaining Scope 4.8.25":**
