## THE ROADSIDE ASSISTANCE WORKSHOP SERIES

**SOUTH-POINT CONSTRUCTORS**, a joint venture between Kiewit Infrastructure South Co. and Austin Bridge & Road L.P., is assembling a team to respond to the Request for Proposals issued by TxDOT for the delivery of the Southeast Connector Design-Build Project.

SPC has launched a "Roadside Assistance" Workshop Series to provide resources, information, and support to local, small, and diverse businesses seeking opportunities to participate on the Project.

Workshops will be delivered as brief but informative webinars, followed by a question and answer period with our subject matter experts.

## WE'RE BUILDING MORE THAN ROADS

South-Point Constructors believes in partnering and investing in the local, small, and diverse businesses in the communities where we work and live. We will maximize opportunities for local DBE firms through dividing work into economically feasible packages to assist small and diverse-owned businesses and ensure equitable and meaningful participation; Actively seeking out diverse businesses that will bring additional value to the project; Building upon new and existing subcontractor relationships to grow long-term partnerships; Fostering the development and growth of existing and potential diverse business partners; and Partnering with community and industry organizations focused on supporting small and diverse businesses.

\*Subcontract opportunities are contingent upon award of the project to SPC.

South-Point Constructors is an Equal Opportunity Employer.
