

Dear PPG Customers:

In order to mitigate risk to our employees and customers, PPG continues to evaluate and amend our business practices as the COVID-19 situation evolves. With this in mind, we will begin locking our doors to public access and changing the way we conduct daily business with customers.

**Effective immediately all orders must be called in or emailed to your local PPG store. Curbside service will be available for orders at all PPG locations until further notice.**

We apologize for any inconvenience this may cause. These policies are in place to keep our employees and customers safe so that we can continue to provide a high level of service during these unprecedented times. **To contact your local PPG store, please click on the following link.**
