

Invitation to Bid
DFW Terminal C High Gates Demolition and Rebuild
Bid Proposals Due Thursday, January 28, 2021
By 2:00PM

DFW International Airport, in partnership with American Airlines, is planning the demolition and replacement of existing gates 33, 35, 35, 36, 37, and 39 Concourse, known as the High C Gates. The replacement Concourse will accommodate five narrow-body aircraft or five regional jets. The new High Gates Concourse is currently planned to be 110,000 sf building. Archer Western HJ Russel Phillips May Joint Venture (AHP JV), on behalf of the DFW International Airport, invites interested and qualified Subcontractors to submit a Proposal for Construction Phase Services for Demolition and Abatement. The goal of this Request for Proposal (RFP) process is to assemble a highly collaborative team that will strive stay on schedule, improve the target budget and provide strong subcontractor leadership in the field, culminating into a successful completion of the DFW Terminal C High Gates.
