Subject: Pegasus Link Constructors ("PLC") EEO Policy Statement and Opportunities

Pegasus Link Constructors, ("PLC"), comprised of Fluor Enterprises and Balfour Beatty, are the design-builder for the I-635 LBJ East Project. We would like to notify your organization of our employment opportunities and commitment as an Equal Opportunity Employer for all qualified applicants and employees.

We are currently recruiting several craft and supervisory positions in order to meet our staffing needs for the project. Our plan includes hiring opportunities for both women and minorities, including an On-The-Job Training program. Available positions currently include opportunities for craft, supervisory and management with construction experience in highway and bridge construction. A list of available job openings is listed below:

1. Carpenters/Form builders:- Constructs, erects, and installs forms for new structures and repairs of existing structures using carpenter's hand toll and power tools.
2. Laborers:- Assist skilled craft workers in performing their assigned duties. Work usually requires the ability to work without close supervision.
3. Pipelayers:- Lay pipe for storm or sanitation sewers, drains, and water mains. Perform any combination of the following tasks: grade trenches or culverts, position pipe, or seal joints.
4. Mechanics:- Repair and maintain construction equipment.
5. CDL Drivers:- Drivers with valid Class A or B Commercial Driver's License
6. Equipment Operators:-Operates one or more types of various highway construction heavy equipment, including asphalt distributor, asphalt paving machines, bulldozer, concrete paving machine, crane, dragline, back hoe, rock crusher, pneumatic roller, steel wheel rollers, scraper, tractor (Crawler), tractor (pneumatic) trenching machine.
7. Crane Operators:- Operate cranes and hoists, transfer loads to construction sites and discharge safely. Bind loads to cranes, inspect equipment and machinery,
