

JPS Health Network is seeking a firm or firms to review inpatient claims data related to Shadow Billing, Indirect Medical Education (IME) and/or Graduate Medical Education (GME) reimbursement, as well as Transfer DRG coding review.

Respondent need not be able to provide all requested services and may bid on the portion(s) it is able to offer. The District may divide the contract award between different Respondents (each Respondent would be responsible for a specific service or services) based on best value and other relevant considerations.
