Solicitation for the Texas Border Infrastructure – Del Rio Sector DCP-012

Bid Scope: Drilled Shafts

Bids Due to Southwest Valley Constructors, Co.: **Mar 21, 2025 at 5:00pm CDT**

Project Description:

SWVC is preparing a proposal for the Texas Facilities Commission for the construction of the project referenced above. This is a design-build Project between 30 and 35 miles Southeast of Eagle Pass, TX consisting of 7.58 miles of new 30'-0" Primary Bollard Fence with patrol road, and maintenance road.

SWVC is now actively seeking pricing from firms who are interested in the project. Subcontractors, especially those certified as Texas HUB Subcontractors, are welcomed and encouraged to submit. **See attached "HUB Subcontracting Opportunity Notification Form".**

All applicable project documents will be provided upon request.

Please respond to this email to confirm your interest and for access to the documents.

Rev. 10/16

HUB Subcontracting Opportunity Notification Form

In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of $100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, at least seven (7) working days prior to submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code, §20.11(19)(C).

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.

SECTION A: PRIME CONTRACTOR'S INFORMATION

Company Name:	Southwest Valley Constructors, Co.	State of Texas VID #:	FEIN: 82-0903545
Point-of-Contact:	Ryan Booth	Phone #:	(817) 337-7000
E-mail Address:	Ryan.Booth@Kiewit.com	Fax #:	N/A

SECTION B: CONTRACTING STATE AGENCY AND REQUISITION INFORMATION

Agency Name:	Texas Facilities Commission		
Point-of-Contact:	Michael Bormann	Phone #:	(737) 252-0975
Requisition #:	TFC Project Number 22-003-2535 DCP-012	Bid Open Date:	03/21/2025 (mm/dd/yyyy)

SECTION C: SUBCONTRACTING OPPORTUNITY RESPONSE DUE DATE, DESCRIPTION, REQUIREMENTS AND RELATED INFORMATION

1. Potential Subcontractor's Bid Response Due Date:

If you would like for our company to consider your company's bid for the subcontracting opportunity identified below in Item 2, we must receive your bid response no later than 5:00pm (Central Time) on 03/21/2025 (Date (mm/dd/yyyy)).

In accordance with 34 TAC §20.14, each notice of subcontracting opportunity shall be provided to at least three (3) Texas certified HUBs, and allow the HUBs at least seven (7) working days to respond to the notice prior to submitting our bid response to the contracting agency. In addition, at least seven (7) working days prior to us submitting our bid response to the contracting agency, we must provide notice of each of our subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code, §20.11(19)(C).

(A working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be "day zero" and does not count as one of the seven (7) working days.)

2. Subcontracting Opportunity Scope of Work:

This work consists of Installing Drilled Shafts for this Design-Build project. Work is to be bid in accordance with the RFP, Appendices and all documents included therein including; Tactical Infrastructure Standards, Technical Specifications, Project Plans, typical details, callouts shown on the Plans.

3. Required Qualifications: ☐ - Not Applicable

Must be experienced in the work being priced and an active subcontractor or vendor certified under Texas HUB program.

4. Bonding/Insurance Requirements: ☐ - Not Applicable

Include the Cost of Insurance in your pricing and provide Bond Rate with your quote. Insurance limits to be discussed based on the specific scope(s) under consideration.

5. Location to review plans/specifications: ☐ - Not Applicable

Email Clay.Parry@Kiewit.com for concept plans, technical provisions and applicable project requirements.
