

**Bio:**

Andrea has over 16 years of Business Development experience. With a passion for building relationships Andrea works closely with her clients and uses her leadership skills to mature and develop strong client and consultant relationships. Andrea uses her experience to create an inspiring atmosphere of teamwork and collaboration within the marketing and business development department. As Chief Business Officer she manages the team by applying her signature spark of energy to every project she engages in. Andrea serves as the Immediate Past President of the Dallas Chapter of SMPS as well as the President of the Park Forest Library.

Dev Rastogi, P.E. Vice President and Dallas Executive spearheads the strategy, growth and leadership of AECOM's business in North Texas. Rastogi is a proven leader with 36 years' experience of successfully delivering solutions for complex projects in the public and private sectors serving a client roster that includes the City of Dallas, Dallas County, the United States Army Corps of Engineers, Dallas Area Rapid Transit, Dallas-Fort Worth International Airport and Texas Department of Transportation. Rastogi serves on the Executive Committee of the North Dallas Chamber and is their Public Policy Council and DEI Task Force Chair and she is Vice Chair of the Dallas Friday Group, a non-profit organization whose members share an interest in public affairs and business issues. She was past president of the Texas Society of Professional Engineers' Dallas Chapter and was active with the Trinity Commons Foundation, North Texas Commission, Perot Museum of Nature and Science and Leadership Dallas. Rastogi's community leadership was recognized by the North Dallas Chamber as their 2020 Paul Hanson Award winner and by Texas Society of Professional Engineers as the 2013 Dallas Engineer of the Year. She graduated from Washington University with a Bachelor of Science degree in civil engineering.

### **About AECOM**

AECOM is the world's premier infrastructure firm, delivering professional services throughout the project lifecycle – from planning, design and engineering to consulting and construction management. We partner with our clients in the public and private sectors to solve their most complex challenges and build legacies for generations to come. On projects spanning transportation, buildings, water, governments, energy and the environment, our teams are driven by a common purpose to deliver a better world. AECOM is a *Fortune 500* firm with revenue of approximately \$20.2 billion during fiscal year 2019. See how we deliver what others can only imagine at [aecom.com](http://aecom.com) and [@AECOM](https://www.instagram.com/aecom).

## PROFESSIONAL SUMMARY

**Vonda L. Thomas, MBA, CPCM**

Vonda has spent more than fifteen years within Dallas Area Rapid Transit's (DART) Procurement department. She currently serves as Senior Manager and Contracting Officer responsible for managing the award and administration of Rail Program Development design and professional services contracts and acquisition needs. She also spent four years as a Sr. Subcontract Administrator procuring goods and services for the Department Of Energy's Mixed Oxide Fuel Fabrication Facility (MFFF) at the Savannah River Site in South Carolina.

Vonda is actively involved in the contracting industry's national organization, National Contracts Management Association (NCMA). She earned NCMA's Certified Professional Contracts Manager (CPCM) designation in 2012. She also served as Vice President of Programs and the Education/Training Committee Chair for NCMA Aiken/Augusta Chapter. In addition to NCMA, Vonda is also a member of National Institute of Government Purchasing (NIGP), and Design Build Institute of America (DBIA) .

## **William Vidaud de la Vega, RA, NCARB**

*Principal Architect / Director of Business Administration*

VAI Architects

### **Education**

Bachelor of Architecture, 1982

University of Texas, Austin, Texas

Bachelor of Environmental Design, 1981

Texas A&M University, College Station, Texas

### **Professional History**

In 1985 William co-founded the office of VAI Architects, which he oriented toward public-sector facility planning and design. As key principal in charge of business development, he is primarily responsible for project pursuit strategies, team organization, and continuing oversight of key client relationships. William is experienced in many aspects of real estate, design, and construction, with a special emphasis on governmental and transportation-sector architecture. He has served as friend and mentor to fellow M/WBEs and developed many successful working relationships with the same, earning his company numerous public acknowledgement for advocacy, utilization, and community impact. Throughout his career, William has participated in promoting opportunities for S/D/M/WBEs through various organizations including regional small business administrations and local professional industry chapters, vendor committees, and minority business councils.
