Project Description:

APR Aviation Partners is requesting your bid for the DFW Airport Terminal F Phase 1 project. APR Aviation Partners is a joint venture between Archer Western Construction, Phillips May Corporation, and Reyes Group. Terminal F Phase 1 is a terminal extension from existing Terminal D to future Terminal F, adding 4 new aircraft gates and all related support systems.

The email link provided will direct you to download the Contract Documents and Project General Requirements. Specific Trade Packages including the proposal form will be available on SmartBid in the "Files/Plan Room" on Friday, June 28, 2019.

Please review all trade packages and Contract Documents. Your company has been assigned an "Invited Code" based on Specification sections. The "invited code" assigned to a company does not prohibit that company from bidding on other trade package scopes. If your "invited code" is included in a trade package scope, a bid for the entire trade package is required

PREBID MEETING and SITE WALK SCHEDULE : The location of the prebid meeting is DFW Airport Trailer A-4 at 3003 South Service Rd, DFW Airport, 75261. A strict limit of two people per Subcontractor will be allowed at the pre-bid meeting and on the site walk. Additionally, we will be entering the Air Operations Area (AOA). If you have a valid DFW SIDA badge, please bring it. If you do not possess a DFW SIDA badge, you will be required to have a current Driver's License or State ID. Limited transportation will be provided to the jobsite.

Pre-Bid Meeting: **Tuesday, July 2, 2019 at 1:00 pm** . Site walk to follow. Trade Packages #30 thru #39. Tiling, Resilient Tile and Carpet, Terrazzo, Painting, Miscellaneous Specialties, Signs, Specialty Metals, Millwork and Casework, and Selective Building Demolition.

This project will utilize a (ROCIP) Rolling Owner Controlled Insurance Program.

This is an Equal Opportunity Project with non-discrimination on the grounds of race, color or national origin. MBE participation is encouraged.

NOTE: All subcontractor and supplier communication should be thru APR and not direct to DFW or design team.
