

Dear Community Partners:  
**We are currently seeking subcontractor and supplier bids for several scopes of work for the SE Connector Project.** Please see packages and corresponding bid due dates below, as well as information on how to access scope documents. We have also included a list of upcoming packages that are expected to be released in the coming weeks.

Would you kindly share the information with your member firms?

Thank you,

The South-Point Constructors Team

**South-Point Constructors - Notification of Current & Upcoming Solicitations for the SE Connector Project (2/10/23)**

**Company Name:**

South-Point Constructors Joint Venture (SPC)

**Bid Title:**

SE Connector Design-Build Project: Notification of Current & Upcoming Solicitations for the SE Connector Project

**Project Description:**

South-Point Constructors, a joint venture between Kiewit Infrastructure South Co. and Austin Bridge & Road, has been selected to deliver TxDOT's SE Connector Design Build Project. The Southeast Connector is a design-build Project in the Fort Worth District consisting of approximately 16.6 miles of non-tolled improvements to I-20 from Forest Hill Drive to Park Springs Boulevard, to I-820 from I-20 to Brentwood Stair Road, and to US 287 from Bishop Street to Sublett Road. The Project components include the design, construction and maintenance of the roadways.

**Current Solicitations**

SPC is now actively seeking Subcontractor Bids from firms who are interested in performing the following on the project:

- Temporary Drainage: Bids due to South-Point Constructors: February 14, 2023 at 5:00pm CST
- Temp Soil Nail Wall: Bids due to South-Point Constructors: February 14, 2023 at 5:00pm CST
- Cushion Sand: Bids due to South-Point Constructors: February 14, 2023 at 5:00pm CST
- FTW Structures RCP Materials: Bids due to South-Point Constructors: February 15, 2023 at 5:00pm CST
- Welding: Bids due to South-Point Constructors: February 17, 2023 at 5:00pm CST
- Lime Materials: Bids due to South-Point Constructors: February 22, 2023 at 5:00pm CST
- Project-Wide Hourly Trucking: Bids due to South-Point Constructors: February 23, 2023 at 5:00pm CST
- Precast Concrete Box Culvert: Bids due to South-Point Constructors: February 24, 2023 at 5:00pm CST

Subcontractors, especially including those certified as Disadvantaged Business Enterprise (DBE) by the Texas Unified Certification Program (TUCP), are welcomed and encouraged to submit bids.

All bid documents have been uploaded to the project BuildingConnected site
