

DALLAS-FORT WORTH INTERNATIONAL AIRPORT

Request No. Solicitation No. 8005340 - Content Management System Digital Experience - Gate Area of the Future

Description: RFP

DFW Airport Contact: Miriam Seymour
mseymour@dfwairport.com

The Dallas/Fort Worth International Airport Board has released the above-referenced solicitation document, which is currently available for download from the [DFW Airport Solicitation Page](#). We hope you take the time to review it and submit a response.

Note: *The DFW Airport may issue changes to the Solicitation documents in the form of a written addendum. Addenda, if issued, will be posted on the DFW Airport website prior to the Submittal Due Date and Time. It is the Bidder's/Proposer's responsibility to ensure inclusion of all addenda issued in their submittal.*

The DFW Airport intends to notify suppliers that have registered with the DFW Airport when business opportunities become available; however, we cannot guarantee that suppliers will receive notifications of every opportunity in which they may be interested. Therefore, suppliers have the sole responsibility to check the DFW Airport website periodically to review current and upcoming solicitations.

Do not reply directly to this email. For questions regarding the solicitation, refer to the contact information listed above.

You are receiving this communication because your email is registered in DFW Airport's iSupplier registration system or have expressed interest in doing business with DFW Airport. If you wish to not be alerted of new solicitations, or need to change contact information [click here](#). Please include your name, company name, and request details in the email body.
