

Vote FOR Dallas ISD Props A-E

NO TAX RATE INCREASE

-  **PROP A** CRITICAL UPDATES FOR NEARLY ALL DALLAS SCHOOLS
-  **PROP B** TECHNOLOGY AND BROADBAND ACCESS UPDATES
-  **PROP C-E** EXTRACURRICULAR FACILITY IMPROVEMENTS

WHY VOTE FOR PROPS A-E

No Tax Rate Increase. Dallas ISD's tax rate hasn't changed since 2014 and will not be impacted by this bond. The time is now to take advantage of current interest rates, which will save taxpayers almost \$1 Billion.

Advance Racial Equity through Strategic Community Investments, Career Training, and Improved Access to Technology. Funds will expand career centers to provide more career training, build new community resource centers in underserved neighborhoods and provide broadband internet access to all students.

Renovate and Update Schools. Dallas schools average 52 years in age. Funds will provide critical maintenance for nearly every campus, including new roofs, improving HVAC systems, increased security and more. Funds will also completely renovate 14 campuses and create 10 new schools.

Dallas ISD is headed in the right direction. Dallas ISD is the most improved urban district in Texas, a national model for innovation, and recognized by S&P with a AAA bond rating.

NOTE: A NEW LAW REQUIRES "THIS IS A TAX INCREASE" TO BE INCLUDED IN BALLOT LANGUAGE FOR ALL SCHOOL BONDS, EVEN IF IT DOESN'T RAISE YOUR TAX RATE.
