Business Community Outreach Event

Dallas County Health and Human Services (DCHHS) Weatherization Assistance Program (WAP) would like to extend an invitation to your business to attend our Community Outreach Event, which is taking place at the Dallas County Health and Human Services building in Dallas, Texas at the following:

Date: July 9, 2019 (Tuesday)
Time: 10:00 AM – 12:00 PM
Location: 2377 N. Stemmons Fwy.
Hickman Conference Room 2nd Floor Rm. 222

At this event, DCHHS WAP will be providing important information regarding our service deliveries. In addition to general weatherization conversations, other associated topics such as the assessment and inspection processes, program requirements, etc. will also be discussed.

This invitation offers a valuable opportunity to gather helpful information concerning weatherization services provided by DCHHS WAP. Additionally, a business venture with DCHHS WAP could prove to be very beneficial for your organization, as well as for all those who receive Weatherization Services each year.

Seating is limited, so if your organization would be interested in attending this important event, please respond to this invitation by July 2, 2019 with the number of planned attendees.
