

The City of Arlington has the following Invitation to Bid (ITB) opportunity.

➤ **ITB # 20-0066 • Annual Requirements Contract, Litter Maintenance for Johnson Creek Restoration Area**

- **Pre-Bid Conf:** **None**
- **Bid Due Date:** **Thursday, April 2nd @ 2:00 pm**

The intent of this solicitation is to establish an annual requirements contract for Cleanup & Removal of all small litter and debris around the Johnson Creek Restoration Area. Additionally, this contract will require removing vegetation along the creek on a monthly basis. The purpose is to provide a clean and litter free environment at a high standard to improve the aesthetic value for citizens and visitors as they arrive in Arlington. This will help clean our creeks to help with our water quality and environmental impacts.

Bid will be submitted electronically. All interested vendors, not currently registered, are recommended to sign-up (<https://arlington-tx.ionwave.net/Login.aspx>). **Registration is free.**
