

The Blue Book Network & DFW Minority Supplier Development Council An Educational Webinar

This complimentary webinar will show you how to register your business as a Minority Business Enterprise (MBE).

Become a part of the leading network connecting your business to general contractors, property managers, and public sector agencies in North Texas who want to do business with minority-owned businesses.

The Blue Book Network and DFW Minority Supplier Development Council, have partnered to create more opportunities for you to connect to construction industry players that are looking for your trade or service.

Wednesday, February 17th
9:00am-10:15am CST
