

CAREER Update

As Texas venues begin to ramp up and reopen, and as we continue to add additional activities under our management, we have many open positions we would like to fill with talented individuals who are looking to grow their careers.

Below, you will find this week's featured opportunities.

Dallas Fair Park covers 277 acres just east of downtown Dallas. Its cultural, educational, and sporting facilities play host to more than 5 million people annually. **Dallas Fair Park** hosts more than 1200 activities and events each year including festivals, fairs, concerts, and theatrical productions, while also being home to historical art exhibits, sporting events, garden activities and much more
