

## **REQUEST FOR QUALIFICATIONS - REAL ESTATE SURVEY SERVICES | RFQ01-SREO-21-115 | SYSTEM-WIDE**

### **Solicitation:**

The Texas A&M University System ("A&M System") is soliciting statements of qualifications ("Qualifications") from firms regarding their knowledge, experience and qualifications to provide real estate survey services in connection with real estate transactions, including but not limited to purchases, sales and leases, expected to be undertaken by the A&M System in the future.

The A&M System Real Estate Office ("SREO") is responsible for the acquisition, disposition, leasing and management of all real property owned by the A&M System, including those properties assigned to the 11 universities and eight state agencies in the A&M System.

The SREO is in need of qualified survey companies to provide survey services for the A&M System from time to time. It is the intent of the SREO to use the responses to this RFQ as a basis for creating a list of pre-qualified firms who will be engaged on an as-needed basis. Inclusion in the pool of qualified firms does not guarantee engagement in the future.
