

The University of Texas at Austin has a bid opportunity for General Contractors that is currently open entitled **(CAM) Multi-Building Boiler & Chilled Water Pump**

Replacement (19CSP021). The HUB/SB Program Office would like to encourage HUB vendors who have interest in participating to submit bids for consideration.

Pre-Proposal Conference & Site Visit - **Thursday, July 11, 2019 at 11:00 AM at 1301 East Dean Keeton, Austin, TX, Bldg FC1, 1.118B Training Room C.**

Submittals Due: **August 7, 2019 at 11:00 AM**

Solicitation Description: This project consists of the replacement of heating water boilers and chiller water pumps as well as related components/equipment in multiple campus buildings. Boilers will be replaced in FC2 and MER. Chilled water pumps will be replaced in Goldsmith, Ernest Cockrell Jr. Hall, and the School of Social Work. Chilled water pump installations will be required to conform to PIP / API 686.
