Bid Notes

The City highly recommends that respondents do not wait until minutes before the due date and time to submit proposal.

The submittal process may take significant time.

Submissions accepted via IONWAVE or hard copy ONLY (no emails).

Questions must be submissions by deadline via IONWAVE only (no emails/no phone calls).

The City of Denton, Texas (the "City") is pleased to be accepting qualifications for firms desiring to provide Architectural & Engineering Services for Vertical Capital Construction Projects. It is the City's intent to create a pre-qualified respondent(s) list; and to have the ability to award an unspecified number of contracts by project (and also by service category) over the next three years, before re-advertising another RFQ for these services.

Candidates' submissions should provide demonstrated experience in providing professional services in one or more of the categories of services shown on the Services Available section on the Architect - Engineer Qualifications Fillable Form. Firms may submit to be pre-qualified for any one or more of the individual categories of service.
