# Woman's Club of West Middlesex

Presents:  
Our Second Annual  
**Ladies Night Out**  
Friday, April 9th, 2021

Established in 1954, the Woman's Club of West Middlesex is a long term asset to our community & pride ourselves on upholding the traditions of our town by organizing parades, decorating for various holidays and organizing fundraising events, all while promoting community and inclusivity.

Despite the many trials we faced in 2020, our event sold out bringing in nearly \$9,000 helping us to support more than ten local organizations, various projects, scholarships, community events and families in crisis. Over 300 women enjoyed a much-needed evening of fun & fellowship. We could not have had such a successful evening without the outpouring support from our community and these generous supporters:

As a community, we have all been impacted by the pandemic in one way or another. We hope to use this years event to support the businesses who helped us succeed last year as well as patronize new ones by purchasing a large portion of the incentive prizes given away at the event. To help maximize our monetary contribution to our community, we are also asking for donations. We will happily except any and all items or gift certificates to give away on our main ticket (valued at \$250 and up), our side raffles (valued at \$100 & up) or our Chinese auction.

We sincerely appreciate your time and consideration in pairing with our organization. We are proud to be a part of such an amazing community and look forward to serving for many years to come!
