

# COVID Testing Sites in Mercer County as of November 20, 2020

## Compiled by Buhl Regional Health Foundation

### 1. Med Express, 1729 E. State Street, Hermitage, PA

- Drive-thru COVID site
- Evaluation will be conducted, and patient will be billed; Labcorp bills for urgent care visit, not for test – cost depends on coverage. \$119 for no coverage.

### 2. Transfer Health Center – PHN, 225 Edgewood Dr Ext, Transfer, PA

- By appointment only
- Requirements: A PHN Provider order is required as they are only testing PHN established patients. New patients must establish via tele-health appointment to evaluate symptoms. PHN testers can travel to test PHN patients without access to transportation.

### 3. Greenville Pharmacy (Carefill Pharmacy) (Walberg Pharmacy), 43 Williamson Rd. Suite 1, Greenville, PA: 724-588-1111

- If you received an appointment, bring voucher (see below)

### 4. Reynolds Pharmacy (Walberg Pharmacy), 3676 N. Hermitage Road, Transfer, PA

- If you received an appointment, bring voucher (see below)

### 5. Jamestown Pharmacy (Walberg Pharmacy), 121 Liberty Street, Jamestown, PA

- If you received an appointment, bring voucher (see below)

*-The three Walberg Pharmacies above just started COVID testing*

*-go to website "Doineedacovidtest.com" and apply*

*-receive a voucher number*

*-go to pharmacy and call from a designated parking spot*

*-staff member comes to your car and gives you a test kit you administer yourself*

*-give vial back and pharmacy sends it via fedex and you have results in 3-5 days via email or going back to website*

### 6. Rx Xpress Pharmacy, 111 Mill Street, Grove City

- COVID19 Testing Center
- Appointment required
- Referral not required

**7. Federal Qualified Health Center PHN Mobile Testing Center, 63 Pitt Street, Sharon**

- Appointment required

**8. Grove City Hospital, 631 N. Broad Street Ext. Grove City**

- COVID19 Testing Center
- Appointment not required
- Referral required – only patients who have been previously evaluated by an AHN affiliated healthcare provider for COVID19 symptoms and who has a valid prescription order from their doctor may be tested at collection sites at this time

**9. UPMC Urgent Care, 1075 N. Hermitage Road, Hermitage**

- Patients need a physician order or appointment for COVID testing at a collection center
- Testing site is not open for walk-in testing

**10. Quest Diagnostics, online/at home test kit**

- Go to [questdirect.questdiagnostics.com](http://questdirect.questdiagnostics.com)
- Click “Choose Your Test” and click on the COVID-19 Active Infection link
- Follow the directions to get your kit mailed to you, complete the test at home and send back to Quest Diagnostics.

## **Lawrence County, PA**

**10. Neshannock Med Express, 2411 Wilmington Road, New Castle, PA**

- Evaluation screening and test without exiting car
- Urgent Care Fee with coverage but test is free. Urgent care fee with no coverage is \$119.

**11. CVS, 1803 Wilmington Road, New Castle, PA**

- Remain in vehicle – you will be given a swab and asked to collect sample of nasal secretions
- Referrals not required
- Appointment needed
