Job Title: Veterinary Assistant / Technician

**Job Description:**

We are in need of a part-time veterinary assistant/technician for our busy two doctor practice with the possible opportunity of the position becoming full-time in the future.

Responsibilities include but are not limited to the following: animal restraint for exams/treatments, cleaning, stocking supplies, filling prescriptions, and the possibility of miscellaneous clerical/receptionist duties

This is a physically demanding position and requires frequent bending down and lifting animals over 50 pounds at times. Must have a flexible schedule and be willing to work afternoons Monday-Friday with no weekend hours.

Must have a positive attitude, a good sense of humor, and be able to work efficiently in a fast-paced environment with the ability to multi-task.

Experience is preferred but not necessary; we will train the right candidate.
