

## 2019 Light up the Sky Sponsorship Opportunities

The chamber in partnership with Buhl Park is excited to announce that we will again be hosting **“Light up the Sky at Buhl Park Fireworks Celebration”** for our Shenango Valley community.

The event will take place at Buhl Park kite field on Sunday, June 30, at dusk. Last year the fireworks event attracted a record 15,000 observers from in and around the entire Shenango Valley. As your Chamber of Commerce, we understand how important events like this are for bringing the community together. We have chosen to continue to support and grow this event every year in conjunction with Buhl Park – the main public space for our valley.

But in order to carry out this spectacular event again, we are in need of your support.

**We have 4 levels of sponsorship support:** As a sponsor, your name will be included in all advertising and promotion through the media, flyers, signage, social media and more, in and around the community. Last year we received tremendous coverage for the event and expect the same this year. Plus Buhl Park will have a band and also incorporate more activities for families and other visitors to add to the festive atmosphere.

*“Grand Finale” Sponsor:* A sponsorship gift of \$2000 **SOLD OUT**

*“Big Bang” Sponsor:* A sponsorship gift of \$1000 \_\_\_\_\_
