

## **A Milestone Celebration Honoring Joan Grossman Spalding's 50 Years of Service**

Jo Ann Kostkan, Kathy Hanna, Pat Jamski, and Maria Barnhart recently gathered at the lovely Peachtree Corners home of Joan Grossman Spalding for a truly joyful afternoon. The occasion was a momentous one: celebrating Joan's remarkable 50-year membership in the Dunwoody Woman's Club! On behalf of the General Federation of Women's Clubs (GFWC), the group presented Joan with a 50-year membership certificate officially signed by GFWC International President Suellen Brazil and DWC President Jo Ann Kostkan. Joan also received a commemorative 50-year pin and a heartfelt congratulatory letter from President Brazil.

The afternoon was filled with festive atmosphere, personal gifts, and delicious refreshments. Highlights included a tour of Joan's beautiful home and wonderful conversation among long-time friends. A special thank you to Joan's husband, George, who did a fantastic job as the "resident photographer" for the day. Congratulations, Joan, on five decades of dedicated service and your many contributions to our community!
