

## Member Spotlight of the Month

### Joan Grossman

Congratulations to DWC spotlight member – Joan Grossman Spalding - 50th year membership in GFWC Dunwoody Woman's Club.

We will be celebrating Joan's 50th year DWC membership at the December 18 luncheon meeting. Sincere appreciation to Joan for her dedication to the mission of service to her community. Thank you for living the volunteer spirit.

Joan treasured being part of the Dunwoody Woman's Club. She served as the Chairman of the Sunshine Committee for many years and thoroughly enjoyed keeping up with the "happenings" with members. She made sure she shared the care and concerns with membership in meetings and in the newsletter. In addition, one of Joan's favorite club activities was serving as a head hostess for the annual Home Tour.

Joan was an avid bridge player and enjoyed spending time with club members and others who enjoyed bridge. Did you know Joan was also a fan of ballroom dancing? She took many classes and enjoyed sharing her talent with others.

Joan frequently said that being a member of the Dunwoody Woman's Club was something she will always cherish. She is so grateful for the work the club does in the community and the lasting friendships she has made over the years.

We look forward to seeing you on December 18th so you can congratulate Joan for her dedication to the Dunwoody Woman's Club – Congratulations on 50 years of membership and the legacy of service in our community.
