

Member Spotlight of the Month

Faye Cashwell

Faye joined DWC in 2011 and previously served as Health and Wellness Chairman, Home Tour Chairman, and several times as Treasurer. We are so grateful she will continue to serve as club Treasurer for 2025-2026 and the website manager for DWC. In addition, Faye continues to serve on the NW District Board as Credentials Chairman.

Faye was born in Cedartown, Georgia and grew up on the Gulf Coast, in Mobile, Alabama and Pensacola, Florida. During college in Pensacola, she started in a co-op college program with Southern Bell Telephone company which lead to a 30+ year career with the “phone company”. She retired from BellSouth in 2003 and went to work for a dermatologist in Roswell (doing technology stuff) only to be recalled to AT&T for another 3 years. In 2008 she finally retired for good.

Faye and her husband Steve are members of Saint Luke’s Presbyterian Church, and she loves working on several church committee projects. Faye and Steve team up on many church technology projects and now do the same for our club. They both love the challenge of technology and believe it or not find it “fun”.

Outside of church and club, she loves to travel with family and friends, taking 5-mile walks around Johns Creek and playing with their dog “Cody”.

I know that all members of the club join me in thanking Faye for all she does for the Dunwoody Woman’s Club.

THANK YOU, FAYE!
