TAKE ACTION!

Dear WMAR Members,

Thank you for taking action on tax reform, but we need more help! Congress is moving fast on this legislation and have already passed H.R. 1, the Tax Cuts and Jobs Act, through committee. This means they are one step closer to turning this harmful bill into law!

Your Member of Congress is a critical voice on this issue, so we need your help to further urge them to vote no on H.R. 1!

Simply click on the button below to use our new advocacy tool to contact Congress on Facebook, Twitter and connect over the phone to their office.
