

Boise! Bar 76 is looking for someone who can work Monday 11-4 and optionally Wednesday same time. It's a bit slow right now in January and February, but it'll pick up and I can guarantee it'll be your favorite side job. If you work well, there's more hours available in the not-so-distant future. It's a beer and wine bar with a bunch of satellite restaurants that share the same common space. Cajun food, tamales, vegan soul food, etc. Discounts for all the businesses under our umbrella. Good vibes only. Looking for someone who has a good energy, creative, friendly, social, trustworthy, etc. If you're resonating, send me a message or email me a resume at [bkeck.storyteller@gmail.com](mailto:bkeck.storyteller@gmail.com)

Bar 76 is located inside Chow Public Market at The Boise Spectrum
