

Bar 76 at Chow Public Market on Overland and Cole is looking for a couple part time bartenders! We have 20 taps of local and regional craft beer and share a large space with a bunch of great food spots. Relaxing atmosphere and energy. We've got a big summer and a bunch of events coming up. Looking for a couple good energy bartenders who have experience serving beer and wine. Shoot me a resume or send me an email at bkeck.storyteller@gmail.com if you're interested.
