New Swag! New Beers!

Whether you grab a shirt for you or a friend we have so many new colors and styles to choose from! Be sure to grab a hoodie if you like the classic blue zip-up or grey the horizontal lettering style, as those styles will change this winter. We have a new more subtle front shirt with our pin up Sour design on the back. This new design is one of our favorites so be sure to grab one before they're gone!

Our newest beers on tap is the Hazy Pale Ale and the Czech/ Bohemian Pilsner.

The Hazy Pale Ale can be described as a juicy, citrusy hop forward smooth beer. It’s an approachable, lighter version of our Indian Creek or New England Hazy IPA.

While the Czech/ Bohemian Pilsner can be described as a slightly sweet, toasted biscuit- like, bready, and evident malt character. Hop bitterness is perceived as medium with medium-low level of noble-type hop aroma and flavor.

Be sure to stop by either the Boise or Caldwell location to give those a try!!
