

Journey through Germany

Timing: 10/29 & 10/30 – 11am – 7pm

Join us for a journey through Germany without leaving the store. Feast on delicious samples of beer sausage, pretzel bites, cheese, beer and much more. Shop for and enjoy the following Oktoberfest foods:

- Made in store beer sausage – made with Payette Brewing North Fork Beer
- Mustard crusted pork loin roast – all natural in store roasted pork loin encrusted with cracked black pepper, savory spices and whole grain mustard (available at the service deli)
- Made to order beer brat – featuring our meat department's beer brat that is made fresh daily. We grill to order and top with sauerkraut, caramelized onions and stone ground mustard. Served on a brioche bun from our scratch bakery.
- Chimay Belgian Beer Cheese – Belgian cow's milk washed rind cheese that has a mild, meaty, nutty flavor with hints of hops. Pairs well with Belgian beer.
